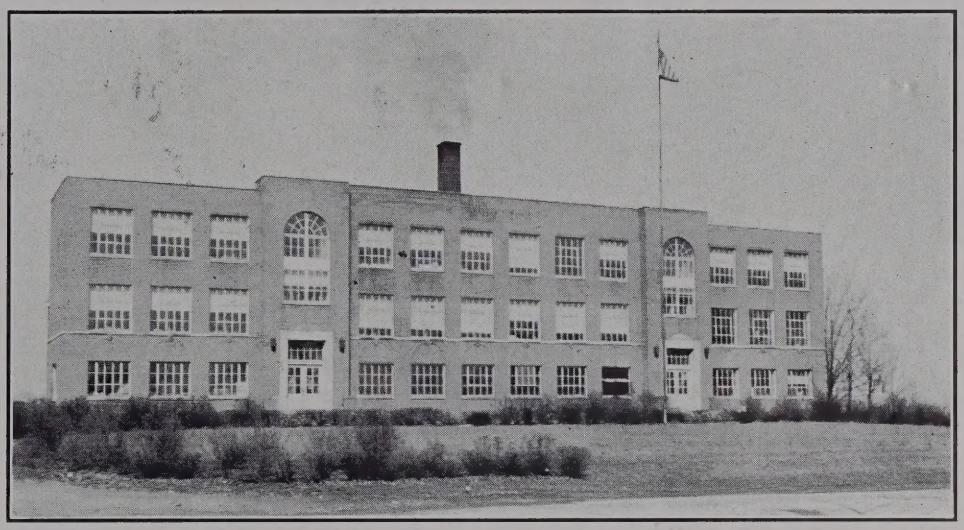
GRANGER TOWNSHIP SCHOOL



IN THE FALL of 1929, our new school building was occupied for the first time. The building, modern in every detail, houses both elementary and high school classes. Features of the building are its ample rooms for vocational classes, its fine auditorium and stage, and its beautiful location. The people of the community deserve to be complimented for the progressive spirit manifest in this modern building.

IN THE FALL of 1935, a number of our students thought that a school paper would be a most desirable school activity. Accordingly, plans were made for the publication of a monthly paper. A staff was drawn up and the paper made its first appearance in October. Although the first issue was a sorry-looking number, the paper staff worked diligently and the succeeding issues became much better organized and developed. As the school year comes to an end we feel that the Indicator was well worth our efforts and we sincerely hope that it will be continued next year.

About the time the Indicator was born, we also gave our thought to the production of an annual. The matter was presented to the student body, heartily endorsed, and today, after months of hard work and steady patience, we are happy to present Granger's first annual. We hope that it will be enjoyed throughout the years as it takes you back to your school days over and over again. At the same time, the Staff wishes to acknowledge the many sources of help received, from Student Body, Faculty and Merchants.

SENIOR CLASS HISTORY

ONE morning in September, 1924, twenty-one Granger mothers said goodbye to their young hopefuls and started them on that great adventure—their first day of school. Ten of these twenty-one beginners have completed the twelve years of school together. They are Doris Anderson, Vivian Baird, Arthur Dixon, Rod Klesack, Helen Krueger, Carrol Pelot, Mae Porter, Hubert Smith, Jenniebelle Stagney, and Dorothy Davis. The other members of our first grade were Ruth Anderson, Mildred Bradley, Conrad Berg, Alice Ganyard, Russel Hatch, Ruby Kruse, Gladys Moon, Donald Rayburn, Gladys Springer, Math Papik, and one girl whose name cannot be remembered. That year, as well as the next, our teacher was Miss Gladys Alber.

When we started in the second grade, Ruth Anderson, Mildred Bradley, Ruby Kruse, Donald Rayburn, and Gladys Springer had moved away, but Kathryn Baker, Georgialee Ganyard, Phyllis Shea, and Peter Coskey joined the class.

The next year we moved into a new room with Miss Olive Bedford as our teacher. Peter Coskey left and Leola Riedthaler and Edward Westlake came. Miss Mary Konvalinka was our fourth grade teacher. Martha Kurus and Earl Nash were our new members, while Phyllis Shea moved away.

The next year when we were promoted to the fifth grade, we moved into the old town hall with Miss Bernice Betzer as our teacher. We lost Edward Westlake that year but gained Ruth Willey, Martin Schaffer and Earl Baughman.

In our sixth year, with our teacher, Miss Betzer, we moved into the new building. On account of illness, Gladys Moon withdrew from the class, and later in the year, Kathryn Baker moved to Akron. The new members that year were Muriel Lowman, Harry Moore, William and Raymond Paymer, Irene Hall and Edythe Baxter.

On entering the seventh grade, we were promoted to the Junior Study Hall. Harry Moore, the Paymer brothers, and Georgialee Ganyard left us, but we were joined by Lena Tramonte, Jose Harris, Anne Pfeiffer, Aaron Moltz, and Francis Kemp. During these seven years, Mr. O. K. Lehman had been our superintendent, but at the beginning of our eighth year, his place was taken by J. P. Bloom. Our class gained two members that year, Maxine Betz and Lucy Senz.

As we entered our Freshman year we had several additions and subtractions. Leola Riedthaler, Maxine Betz, Lucy Senz, Aaron Moltz and Math Papik left. Elizabeth Oleksa, Ruth and Ralph Scanlon, John Girman, Carl Brunstuhl, Mike Radulavitch, all of Weymouth, and Alice Seltzer joined us. Virginia Skidmore also was with us for a short time, and later in the year, Jose Harris moved away.

In our Sophomore year we were promoted to the Senior Study Hall, and Evelyn Davis joined the class. That year Mr. Bloom was succeeded as superintendent by N. T. Howe. During our Junior year we lost Anne Pfeiffer, Martin Schaffer, Carl Brunstuhl and Russell Hatch, their places being taken by Ruth Pritchard, George Ford, Elmer Nesbitt and Nick Vintilla, the last two leaving at the end of the year.

Our Senior year has seen very little change, just one addition, Paul Starkey.

JUNIOR CLASS

THE Junior Class has been an unusually active one in Granger High affairs this year. Members of the class have held the majority of responsible school offices, others have been outstanding in music, while the varsity basketball team was made up almost entirely of Juniors. Bruce Ford was president of the Student Council, Elmer Voshall was president of the Athletic Association, while Clyde Foust was Editor of the Annual.

Three members of the class, Annette Sumner, Marian Dreibelbis, and Margaret Lawrence, went to New York with the County Music groups who participated in the National Music Educators' Conference.

The high water mark for the year came on the evening of May 8, when the class entertained the Seniors at the Junior-Senior Banquet. The affair was held in our auditorium, which, for the evening, was transformed into the lawn of a southern estate. This evening will long be remembered by those present as one of the most delightful in our lives. Beautifully decorated, the auditorium won enthusiastic compliments from all. The Banquet was a clear reflection on the outstanding ability of the class to get things done.

SOPHOMORE CLASS

THE Sophomore class members have been very active in school affairs this year. Jeanne Voshall and June Nash were the class representatives in the Student Council, Robert Hennig was editor of the Indicator and also business manager of the athletic association, Gerald Wuchter was circulation manager of the Indicator, Jeanne Voshall was treasurer of the student council and secretary of the athletic association, Illene Grossenbacher was assistant school librarian and also played the part of Hansel in "Hansel and Gretel." Lavonne Allard was accompanist for all the school vocal groups as well as for the smaller ensembles and was also the feature editor of the Indicator. The Sophomore girls were intra-mural basketball champions and two members of the class, Lavonne Allard and Illene Grossenbacher, made the trip to New York with the County music group.

Looking over the class membership as a whole, we find that there are a number of young people who are outstanding in the fields of scholarship and athletics. It is our confident prediction that this group will make a fine record for itself in the next two years. Here's luck to you, Class of '38!

FRESHMAN CLASS

THE Ninth Grade has certainly been an active group this year. As we go over the roll of the class we find that almost every member has contributed a full share to the successes of the school. One of our members, Donald Scholz, won first place in the County Scholastic contest, and represented the county in the contest at Kent. Others chosen to represent their class in these tests were: Janet Lawrence, Mary Willey, Gladys Halblaub, Henry Graver, and Eleanor Ann Young. Most of the girls on the class are members of the Girl Reserves. Elfreda French, Lauretta Walter, and Eleanor First were members of the school orchestra, and Lauretta was a member of the saxophone ensemble. Practically the entire class were active in music and art, many of the girls taking part in the operetta "Hansel and Gretel."

The boys made a great name for themselves as the Junior High Basketball team, the record of which is mentioned on another page. The class had a money-raising Bingo game at the school fair, contributed to the school fund used to help send the music group to New York, and had several successful parties during the year.

In the group we find a great many fine students and other very active leaders. There is no good reason why this class should not develop into one of Granger High's most useful organizations. We wish them a great record in the Senior High School.

First Row (left to right): Marion Vann, Marion Klesack, Virginia Godfrey, Louise Roper, Mary Ellen White, Mildred Pursley, Doris Zimmerman.

EIGHTH GRADE

THE Eighth Grade has contributed its full share to the activities and achievements of the Junior High this year. The girls were very active in the Junior Girl Reserves while the boys were practically all on the basketball team. Individuals in the class who had responsible positions in other organizations were: Margaret Foky, president of the Girl Reserves; Louise Roper, vice-president of the Reserves; Marion Klesack, secretary of the Reserves; Virginia Godfrey, program chairman of the Reserves; Margaret Foky and Virginia Godfrey, School Orchestra; Virginia Godfrey, saxophone ensemble; Lyle Pelot, basketball.

Lyle Pelot made a fine record in scholarship this year, closely followed by several of the girls.

The class has had a happy time together this year and we hope to have as good times in the coming years. We also hope that our class will be known as one which will contribute its full share to the activities of the school, be recognized as outstanding for its scholastic achievements, and ultimately, as strong and useful citizens of our community.

SEVENTH GRADE

THIS year the seventh grade thought it quite a pleasure to be up on the highest floor of the school.

Although it took us some little time to get adjusted to the different way of doing things, we finally became acquainted with our teachers and classmates, and settled down to work.

We have done many things that have interested us greatly. We have been very interested in many sports. Some of the girls were Girl Reserves; the boys in Four H. There are three girls in our class who are in the Junior High Sextet: Lela Riley, Truth Sumner, and Lola Riley. The Seventh Grade has participated in the school fair, and in the spring operetta.

The Seventh Grade has had quite a few new members. It is the largest class in the high school this year, and we hope that it will be even larger next year.

Front Row (left to right): Alice Norris, Carole Nash, Donna Porter, Ila Roper, Marian Jones, Pauline Uhinck, Margaret Gallagher.

Second Row: Gordon Wagar, Leland Crocker, Arletta Wilbur, Doris Lang, Helen Testa, Verna Kruuc, Evelyn Ferenbaugh.

Fourth Row: Floyd Graff, Donovan Hall, Eugene Hardy, Miss Virginia Bogle, Mildred Walter, Gwendolyn Wiley, Wilbur Ford.

FIFTH AND SIXTH GRADES

THE Fifth and Sixth Grades have had a membership of about forty pupils this school year. Our year has been both pleasant and profitable.

One member, James Anderson, spent the winter in Florida. On his return he had many things of interest to bring to the class.

Scarlet fever took its toll of our numbers, claiming Patricia Flannery, Ila Roper, and Dwight Beachler.

At Christmas time we gave two short plays at the school program. Twelve of our girls were in the Junior High School Operetta, "Hansel and Gretel."

The Fifth Grade made an extensive study of Switzerland in geography class. We had fun as well as a gain of knowledge and understanding of the country and its people.

We made a collection of geographical and historical pictures which will be of benefit to succeeding classes. Donna Porter and Myra Payne received prizes for collecting the greater number of pictures.

Our room has been fortunate in receiving several fine reference books —Fabre's "Book of Insects," Protheroe's "Natural History of the World," and Britannica Junior.

First Row (left to right): Robert Urbach, Marvin Ford, Elizabeth Vann, Frances Beachler, Thekla Dunsha, Norma Anderson, Ross Chrisman, Norman Scholz, John Marrone.

Fourth Row: Alfred Lang, Robert Hofstetter, Lewis Graff, Donald Nevling, Wanda Anderson, Ralph White, John Papik, Elmer First, Allen Walter, and Miss McKahn.

THIRD AND FOURTH GRADES

WE STARTED out in September with fifty members in our room. Mary Rounds, Ruth King, Corinne Moeller moved away early in the year. Bill Edmundson of Cleveland joined us early in January. Just last week Thekla Dunsha moved to LaFayette. Norma and Wanda Anderson spent part of the winter in Ocala, Florida.

Music and Art
IN THE GRANGER SCHOOLS

GRANGER HIGH SCHOOL has long been known as one of the strongholds of music in Medina County. Year after year, the school continues to turn out splendid young musicians and musical ensembles. This year has been no exception to those of the past. During the year, six of our students were chosen to represent the county in the National Music Educators Conference at New York. In March, the entire county sent its best music ensembles to our invitational festival, and it was the consensus of opinion that the three Granger groups were the best of those participating.

To a number of people, music may be classed as a "fad" or "frill." But to those of us who have seen this work functioning in the lives of our young people and the various community organizations, such an idea seems preposterous. Music must be considered as one of the most vital subjects offered in the modern school curriculum. Nothing we could offer young people would furnish them with more challenging interests than does the study of music. Frankly, we hope to see the day come when more time will be spent in this work, so that our students may have the pleasure of studying the lives of the composers, the great works of music, and the construction of music itself.

Another very vital type of work offered our young people is the study of Art. While there has not been the whole-hearted interest in this work that has been shown in music, nevertheless we have a large and interested group of students enrolled in this fascinating study. To anyone who has followed the work of a group of art students and seen the many ways in which the study has functioned in their lives, the study will be unescapably impressed on the mind. These people have a sense of form and balance that most of us miss entirely as we go through life. They know how to appreciate the beauty all around them, and they live far more intensely than those of us who have not had the training know how to live. We most sincerely hope that an ever-increasing number of our students will avail themselves of the splendid art program now being presented in the Medina County Schools.

MIXED ENSEMBLE

THE Mixed Ensemble was made up of a group chosen from all our vocal enthusiasts. The group appeared on the Farmer's Institute program and sang for the Baccalaureate services. Although much of the music time was spent in work on our little ensembles, it is our belief that the mixed ensemble did a fine piece of work on each of its public appearances. The group had a nice balance between parts, a good tone quality, and sang with a quiet and interpretive feeling.

Groups like these are to be found in a great many of the schools of the state. While they have never received the public acclaim given orchestras and bands, it is our personal opinion that the group singing of the world's great choral masterpieces gives to each member of such an organization a feeling of spiritual and emotional satisfaction that leaves an indelible imprint on his soul for all time to come.

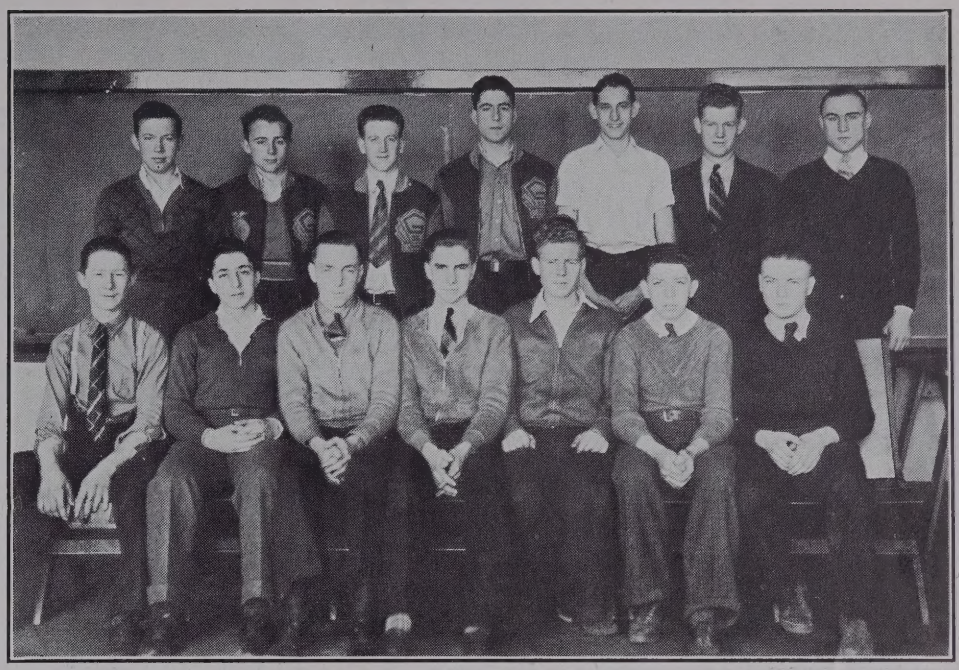
GIRLS' GLEE CLUB

HANSEL and GRETEL

ON THE evening of April 24, the Girls' Glee Club, assisted by choruses from the Junior High School, presented Humperdinck's immortal opera, "Hansel and Gretel," to an interested audience. The cast of characters was made up as follows:

Hansel	Illene Grossenbacher
Gretel	Annette Sumner
Father	George Ford
Mother	Edythe Baxter
Witch	Ruth Pritchard

The opera was under the direction of Mrs. Elizabeth Harmony, our happy little vocal director. Stage settings and lighting effects were in the capable hands of Wilfred Davis, Bruce Ford, and Robert Hennig.



First Row (left to right): Ivan Pursley, Joseph Tramonte, Bruce Ford, Wilfred Davis, John Girman, Gerald Wagar, James Palmer.

Second Row: George Ford, Rod Klesack, Earl Baughman, Carrol Pelot, Robert Eckert, Paul Starkey, Clyde Foust.

BOYS' GLEE CLUB

THE Boys' Glee Club did not appear very often before the public this year, not because the boys were poor singers but largely because the smaller groups were chosen most often to demonstrate the musical talent in the school. The boys did get together at intervals and, under the direction of our fine little conductor, Mrs. Harmony, passed many a pleasant music period in song.

General Pershing once remarked that he wanted a singing army. If the men of our nation can go about their daily work with a song on their lips, statesmen will not have to worry about the destiny of the ship of state. We like to hear young men sing in spirit and harmony. And why not, Mrs. Harmony, have these fellows appear on our assembly programs in another year?

Front Row (left to right): Earline Merryweather, Elma Webb, Doris Wilbur, Roy Anderson, Clair Grill, Wayne Norris, Robert Nevling.

Back Row: Lester Urbach, Lois Jean Indoe, Thomas Edmondson, Gracie Stagney, Irene Hardy, Wanda Uhinck, Gloria Thompson, Grace Scholz, Lois Davis, James Henderson, Mrs. Kahl.

Other members of the Rhythm Band not present when this picture was taken are Everett Pursley, Marnard French, Loren Beachler, Raymond Stoll, Loraine Greene, Arlayne Jones, Althea Godfrey and Norma Jean Hoffman.

RHYTHM BAND

EXTENSIVE rhythm band work was started in 1934 when Granger purchased a complete set of rhythm band instruments for the first and second grades. Two periods each week are spent in developing rhythmic recognition in the children.

The band, consisting of thirty members, has played for the Farmers' Institute, Christmas and Spring programs for the last three years.

Great interest was shown by the community, when the band performed, and this spring costumes were made. They are in green and gold, representing the school colors, in the form of capes and military-type hats.

Front Row (left to right): Annette Sumner, Marion Grill, Eileen Grossenbacher, Ruth Pritchard, Irene Hall.

Back Row: Orline Grill, Margaret Foky, Abby Haynes, James Palmer, Bill Davis, Eleanor First, Dorothy Davis.

ORCHESTRA

THE orchestra, under the direction of Mr. Behrens, has had a very busy year, playing at almost all our school functions. Furthermore, several of its members made up the instrumental ensembles that were heard from time to time.

Lavonne Allard, piano; Ruth Pritchard, violin, and Annette Sumner, cello, made up the string trio which played in New York. Annette Sumner, Ruth Pritchard, Lauretta Walter, and Virginia Godfrey made up the saxophone ensemble that won enthusiastic praise at the County Festival.

It is unnecessary for us to discuss the importance of instrumental training in the schools. The life of every community organization depends upon the services of people who can play an instrument. Let's make a wish that Granger's orchestra will continue to grow in size, quality and usefulness in the coming years.

FUTURE FARMERS OF AMERICA

ONE of America's finest youth organizations is the Future Farmers Of America, a national organization which seeks to encourage boys in the rural communities to look upon farming as an enterprise worthy of their most serious interest. Hundreds of chapters of this fine organization are scattered across the country and each year a selected number of boys in the various states are selected for honorary awards based upon outstanding project achievements and accomplishments in their various communities.

Granger chapter of Future Farmers Of America was organized in 1933. Some of its activities have included:

1. Members running an orchard cooperatively.
2. Making Farm Shop and Chapter exhibits at the Ohio State, Medina County, and Granger Fairs.
3. Holding a summer tour or camping trip.
4. Putting on an F. F. A. Parent and Son Banquet.
5. Holding meetings every two weeks in which members learn correct parliamentary procedure.
6. Having recreational and social activities such as parties and athletic teams.
7. Cooperating with the school fair, Grange, and Farmers Institute by putting on programs and entering exhibits.

Truly, the F. F. A. is one of Granger High's most useful clubs. One has only to note the enthusiasm shown by the individual members for their work to realize this. It is our sincere hope that the organization will continue to grow and prosper, and that from year to year we will be able to read in the news that another Granger Future Farmer has been selected by his fellow clubmen in Ohio to be the recipient of the coveted degree "State Farmer."

GIRL RESERVES

ANOTHER one of those splendid nation-wide organizations that has for its general purpose the building of character into the lives of young women is the Girl Reserves, a branch of the Y. W. C. A. For a number of years, Granger has been fortunate in having strong local leaders both in the school and community. As a result of this leadership, the Girl Reserves have been one of our strongest and most useful organizations. In this column we could not begin to list the many things they have done to make our community a better place in which to live. Below, we give you some of the ideals and accomplishments of our group.

Slogan—Face life squarely. Purpose—To find and give the best.

CODE

As a Girl Reserve I will try to be . . . Gracious in manner . . . Impartial in judgment . . . Ready for service . . . Loyal to friends . . . Reaching toward the best . . . Earnest in purpose . . . Seeing the beautiful . . . Eager for knowledge . . . Reverent to God . . . Victorious over self . . . Ever dependable . . . Sincere at all times.

The Granger Girl Reserves, consisting of thirty members under the leadership of Miss Robinson, have done their best to live up to the above standards. Throughout the year, they have tried to grow in body, mind and spirit. The program this year was based on two different subjects, "The Charm School" and "Girl Reserves from Other Lands."

A few of the accomplishments of the Granger Girl Reserve Club this year are:

1. The girls gave a banquet in honor of their mothers.
2. The girls took part in the County Girl Reserves Circus, held in Medina.
3. They contributed money to the Ohio Valley Flood Fund.
4. They contributed money to help send several of our musicians to New York this Spring.
5. They gave a formal dinner.
6. They won second prize on their booth at the school fair.
7. Better than any of the above, they realized the joy and happiness of beautiful young womanhood, confident in the knowledge that they had helped others and gained much for themselves.

STUDENT COUNCIL

THE Student Council was organized in the Fall of 1933 and has since been a tremendous asset to the high school. Its functions are largely to promote interest in the various activities of the school and to make regulations for the same. However, Granger's council has never been content merely to regulate class and club activities. To list all the things it has done in the last three years would take up too much space. Here are a few:

1. It started the annual School Fair which grows in size each year.
2. It started a landscaping project on the south lawn of the building, to which areas will be added each year until that side of the building balances with the north wing.
3. It bought the uniforms for the Rhythm Band.
4. It bought a 16 mm. motion picture projector that has made a most interesting program of visual education available to all pupils.
5. It bought the bulletin boards in the Junior and Senior High School rooms.
6. It has encouraged in every way such interests as the school paper, the annual, the music festivals, the various clubs, and other school activities.

Election to the Council constitutes one of the highest honors that a student can receive from his classmates. In the three years of its existence at Granger, the Council has been made up of conscientious workers who have had the best interests of their fellow students at heart in every meeting.

ALTHOUGH our basketball season was anything but a success from the standpoint of games won, the year was not without its values. Six of our best players were ineligible the first semester, while the schedule found us with only one game in January. Under the circumstances no coach could have produced a winning team. But, we have a fine young team from the Freshman Class coming up and things will be brighter for the Green and Gold in a year or two.

JUNIOR HIGH TEAM

THE Junior High basketball team came into being in the Fall of 1934. It was felt then that the only way to assure Granger of winning basketball teams in the future was to develop material with experience in the Junior High School. Accordingly, Mr. Howe went to work with a group of boys that year, scheduled games for them, gave them the benefit of his years of experience as a coach and player, and the team began to make a name for itself, winning practically all its games that year. This year the team was augmented by the addition of Robert Lamson and Thomas McKenna and continued its schedule of games and stiff practice sessions. The boys were forced to play as the second team part of the year, but, against teams in their own class they were unbeaten, climaxing their season with a great 39 to 14 victory over Medina Junior High. A high-spirited, clean-living, fighting bunch of boys, we are pulling for them to become County Champions before they finish their high school careers.

ATHLETIC ASSOCIATION

President, Elmer Voshall Vice-President, Evelyn Davis
Secretary, Jeanne Voshall Treasurer, Dorothy Davis

Everyone in the senior high school is a member of the Athletic Association. This organization sponsors all interclass contests, purchases all equipment used in athletics, makes local rules and regulations governing participation in sports, awards letters, and maintains a first aid service available to the entire school. One of the finest achievements of the organization this year was the sponsoring of a sales campaign this Spring in which $155 was raised for the purchase of gymnasium equipment. Many thanks are due to Mr. McKay and Mrs. Young for their work on this project. We hope to have one of the finest physical education programs in the State next year, with our new mats, bars, horse, and spring board to help us.
